**GET QUALITY TRANSFER HOSE ASSEMBLIES YOU CAN RELY ON WELL INTO THE FUTURE**

**UP TO 12"  
SHOP BUILT OR  
FIELD-REPAIRABLE  
OPTIONS AVAILABLE.**

The last thing you need is a failing hose assembly, because every minute of downtime burns up your profits. Keeping your product moving keeps your bottom line looking good! So, is there a way to speed up the replacement/repair process to be on your way to greater revenue and profit? Yes, there is.

Customers have come to rely on the performance and durability of our hose assemblies. We make a real difference in the toughest of circumstances by supplying superior transfer hose. We can build crimped or banded assemblies, and provide you with options to attach or repair in the field. Whether your connection is aluminum, brass, stainless steel, or any number of other options, Hose & Rubber can supply what you need.

We're known for providing top-quality products and innovation to thousands of customers in many industries. Let us keep you ahead of the curve and at peak performance. Call and ask our people how.
